\* Economics & Finance Electives may be chosen from the following:

ACC 352. Federal Income Tax, or ACC 354. Taxation of Business Entities, ECO 320. Economics of Sport, ECO 450. Current Economics Issues, ECO 352. Labor Economics, ECO 410 Econometrics, FIN 306. Consumer Finance, and FIN 357. International Finance.

Note: An additional total of 15 credits (5 courses) will be required to be taken in the summers prior to each year.

It is strongly suggested that MKT/MGT 424 should be taken for the General Education Ethics requirement and that MGT/MKT 340 be taken to satisfy the General Education Cross Cultural Studies requirement.

If students choose to double major and/or minor, the following catalog rule applies: Any course applied toward the completion of one major/minor may not also be applied toward the fulfillment of elective requirements in another major/minor.
